

OAKLEY SI BALLISTIC LINE MINER

AN SI EXCLUSIVE STYLE

KEY FEATURES

LENS

- Lenses feature Oakley's HDO Optics
- Prizm Lens Technology engineered to help see contrast in the snow in a variety of light conditions
- Expanded lens volume for optimized peripheral vision
- Injection-molded Plutonite® lens material provides 100% protection against UVA / UVB / UVC & harmful blue light up to 400nm
- Fog elimination through dual non-vented lens with F3 Anti-Fog coating
- Available in Multi Lens SKU configurations for various light conditions and maximum performance
- Lens Colors available are Clear, Dark Grey, Prizm Persimmon, Prizm Rose and Prizm Dark Grey.

FRAME

- Flexible O Matter® chassis conforms to your face comfortably, even in extreme cold
- Rigid strap anchor plates for comfort and support
- Low-profile frame design provides increased visibility and improved helmet compatibility
- All-day comfort of triple-layer flame retardant foam with moisture wicking polar fleece lining
- Discreet frame notches under strap anchors provide compatibility with most RX frames
- Oversized 40mm wide adjustable strap with silicone lining for versatile, secure fit
